
SPECIFICATIONS FOR DIGITAL CINEMA

An Indian Perspective

We need Digital Cinema

- * Its the future
- * We heard everyone's doing it
- * Kamaal hai boss!

Proposed Specifications

- * Saw these nice projectors at HP. Very nice ones
- * Cheap and affordable
- * Anyway, junta wants to see star, not the resolution

Roadmap

- * We must do it fast.
- * Anyway its better than those expensive film projectors.
- * Audience wants to see star

Proposed Workflow

- * Producer/distributor will get file on pen drive. we will play.
- * Anyway, audience just wants to see star.

Summary

- * Inauguration on Diwali week
- * Who will cut the ribbon?
- * (after all, audience wants to see the star)

Future Perspective

* Can we have a star inaugurating every show?
